Old Business

- Advertising in the indoor/outdoor: no invoices were sent out this year due to inconsistencies in the treasurer position. Invoices will be sent out in 2018 as it is too late in the year
- Website: Kelsey has made an attempt to update the website but it was unable to save. Will continue trying to update it, may have to look into creating a new one again if no one can get it updated
- Northern Development Initiative Report: need Cathy's help to complete
- Canteen: a motion to be made at AGM to sell canteen
- Outhouse next to jump shed: Plan to cover it up and move portable
- Jump Shed: nothing has been done about a jump shed yet, will look into something in the new year
- Banquet: went well
- Porta Potty
- Skeena Valley Fall Fair and Horse Show: horse show put on by the pony club, went well had 20 riders
- Tractor: will need to be moved after clinic

New Business

- Use of arena for Coaching: TSC insurance does not cover instructors for coaching. HCBC insurance is not good enough. Coaches must have their own insurance to teach at the grounds. TSC is to have a copy on file (up to date) at all times (if we are to go ahead with this).
- Policy Changes: discussion to raise membership fees \$10 each, will discuss further at AGM
- Suggestion to raise membership \$10.00
- Make an option on the membership form to pay a "coaching" membership and have proof of coach's insurance. All riders MUST be HCBC.
- When use of arena is donated, do we require a donation?
